Certified Full-Stack Java Development from QSPIDER WAKAD

TECHNICAL SKILLS

Programming Languages	Java, J2EE
Web Technologies	HTML, CSS, Javascript, React.js
Frameworks	SpringMVC, SpringBoot, SpringRest, Servlet, JSP
Version Control	Git
Database	SQL
IDE & Web Server	Eclipse, Apache Tomcat, IntelliJ IDEA

PROJECTS

Indian Cricket Team T20I Squad Webpage

- Developed dynamic and visually appealing webpage for displaying the Indian cricket team's T20I squad against New Zealand.
- Utilized HTML, CSS, and responsive design techniques to create an engaging and user-friendly interface.
- Implemented flexbox and grid layout, optimizing player information presentation with CSS transitions and shadow effects.
- Ensured cross-browser compatibility and fast loading times by optimizing images and leveraging background positioning.
- Successfully tested the webpage on various devices and resolutions to identify and resolve potential layout issues.

Movie Ticket Management System

- Designed a synchronized Java-based movie ticket management system, enabling smooth interaction between ticket sellers and screen viewers by dynamically adjusting ticket availability.
- Implemented a ticket seller thread, using the 'wait()' method to hold screen viewers until tickets are added to the system and then notifying them to proceed with ticket purchases.
- Utilized synchronized methods for the ticket seller to securely manage ticket availability and

avoid data conflicts during ticket addition.

- Employed a ticket buyer (screen viewer) thread that gracefully waits until tickets are available for purchase, ensuring a seamless experience for the viewers.
- Tested the system thoroughly to ensure it performs well under high demand, guaranteeing a hassle-free experience for everyone involved.

ACHIEVEMENTS

- Best coordinator of MESA
- Coordinator of annual festival of year 2022 at college

SOFT SKILLS

- Team Player
- Adaptability
- Leadership
